Art Unit: 1742

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Henry Ward, attorney of record on September 2, 2005.

2. In the claims:

Claim 7 has been canceled.

3. The following is an examiner's statement of reasons for allowance:

a) Claims 9 and 39 (and claims dependent thereon) were previously indicated allowable.

b) With respect to claim 1 and claims dependent thereon, the prior art does not disclose or suggest the multiple intersecting regions having refined grain structures defining a plurality of containment zones required by the instant claims.

c) With respect to claim 32 and claims dependent thereon, the prior art does not disclose or suggest a threaded opening contained within a region comprising a portion of the exterior of a structural member and having a more refined grain structure than other portions of the structural member, as required by the instant claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
